

## Peter Sterling Smith American Legion Post 327

Like many other Veteran service organizations, we are experiencing a decline in membership; many have been forced to close. With your help, and the help of many others, we trust our 103-year-old post will not be one of them. There are reasons for the drops in membership. Changes in society's norms and demands on young families are different than when the post was formed. Be that as it may, the founding Mission and Purpose of The American Legion is still essential to our Veterans and the community we serve. While our post officers and staff endeavor to do all in their power to control expenses, and look for new streams of revenue, it is not enough. Our building, built in 1991, needs many repairs.

If you would like to help us keep our post going by donating, it would be greatly appreciated. You may make your donation in honor or memory of a loved one, or just a gift by filling out the form below. Thank you for your consideration of this request.

Daryl Roller, Adjutant
