The last few years have been painful with the losses within the Post. It is sadly a silent notification of how we are growing smaller in our ranks. For the families suffering loss, we will continue to be there to support them.

COMMANDER'S CORNER

As we wind down 2026 and I look back over the year at what we have accomplished.

Home Depot got the gazebo installed on the patio — **FINALLY!** We celebrated our 104th anniversary as a Post. We had ceiling fans installed in the clubroom thanks to a generous donation of the fans and the installation of the fans. We are almost complete in replacing the ceiling tiles in the clubroom. We have a new cook serving food at bingo. The Legion membership drive for 2026 hit 97.48% a number we have not seen in years. We have had some very successful meals at the Post from St. Patrick's Day corn beef and cabbage, the July 4th picnic, for some of the Royals and Chiefs games. It has been a very active year for Post 327.

The event kiosk runs in the clubroom to keep you aware of what is happening at your Post.

This has all due to the few Post volunteers from our Legion, Sons, Auxiliary and family members who volunteer their time. Volunteering is a key part of what keeps the Post 327 doors open. Unfortunately only a FEW people step up when it is needed the most over and over again.

Continued on the next page.

COMMANDER'S CORNER Continued

As the year comes to an end look into 2027 for YOUR opportunity to help at the Post.

The eBoard and House Committee would like to have more events for the membership but we need volunteers to help at these events. These events bring in money which allow us to have free popcorn in the clubroom, host the car shows, watch the Chiefs and Royals on TV, provide honors for veteran's funerals, have coffee with the veterans at Shawnee Hills Residence and have other events during the year.

As 2027 begins, **WE NEED YOU!!** Even if it is just ONE day a month. If you can do more, that is a blessing, but all the eBoard and I are asking is for ONE day a month for just a FEW hours. Any amount of time is huge if everyone puts forth that little bit of time. Somethings which are provided to the Post from community companies are slow, but remember too, they are volunteering their time to support our Post, so please be patient as things slowly progress.

Remember, together we are the solution to any problems that we encounter!

Commander Post 327
Thomas Seberger

Chuck Shoemaker — 1st Vice Commander

Billy Hodge — Finance Officer

Thanks to bingo, Post Auxiliary, Sons of the American Legion, and the Honor Guard the Post is financially stable at this point in time. Additionally, expense restructuring has contributed to savings in expenses at the Post. Currently the clubroom's income is not covering the cost which means we still have a long way to go but are better off with each passing day.

Scott Williams — Adjutant

Get ready and mark your calendars for a busy and fun filled three months. Starting with our KC Chiefs, join us in the clubroom to cheer them on! There is a signup sheet in the clubroom if you want to bring snacks to share. See the kiosk for dates and times for games.

July started the 2027-2028 membership year. Dues for the Legionnaires is \$50 and after you have and sign your card, we'll be happy to laminate it for you.

November 1st brings Daylight Savings Time (fall back 1 hour).

November 3rd is voting on the mid-term elections. TO vote you'll need to be registered and bring a photo ID to your polling station. I urge all members to get out and vote for your candidates.

With so many events and activities scheduled, I can't list them all in this newsletter. Check social media or come to the clubroom and check out the kiosk and bulletin boards.

I think the best way to stay informed is member to member communication, So if you do not see a member at the Post reach out to them and let them know what is happening at our Post.

Looking forward to seeing you all. Have a safe and healthy quarter.

Your Adjutant
Scott

HELP AROUND THE POST – As needed

Help around the Post occasionally with little projects

In the American Legion, Legion Auxiliary, and Sons of the American Legion, in the Preamble it states:

“To inculcate a sense of individual obligation to the community, state and nation”

In order for Post 327 to operate and keep the lights on, have free popcorn in the clubroom, Thursday night bingo, Friday night dances, the car shows, the Post picnic, have the Chiefs and Royals games on TV, provide honors at Celebration of Life events and at veterans funerals, hold a veterans coffee at Shawnee Hills, and many other activities throughout Shawnee it takes money and it takes YOUR SUPPORT!!!!!!!

These events are all supported by volunteers. People who give their time to come to the Post and support the Legion and their community.

We need YOU! Even if it is just ONE day a month. If you can do more, that is a blessing, but all the eBoard is asking is for ONE day a month for just a FEW hours. These events bring in people to the Post to see what the Legion is all about and hopefully spend money. By your volunteering to come in and help means that someone else that may not be able to help has an event or activity to come too!

Please, contact an eBoard or Post Board member, or an officer for your Legion family group. OR get with the folks that are heading up these events and ask what you can do to help!! OR simply send an email stating you want to help to AMERLEGION327@yahoo.com
